Our Mission ...

The Village Green Foundation (VGF) cultivates healthy living through sustainable nutrition and carbon free transportation.

Our Purpose ...

VGF brings together diverse members of the Northside community around a common commitment to community building, urban agriculture, and access to healthy food and affordable, local transportation.

VGF encompasses: Gardens at the Village Green and MOBO Bicycle Co-Op

Apr. 7th Garden Clean-Up Volunteer day for Spring garden clean-up preparing the community gardens and VG grounds for the 2018 growing season. Tasks include clearing out weeds, cutting back branches and re-defining garden pathways. (11 am—3 pm)

Apr. 7th Ride Season Launch Party

Want to get prepared to roll out for 100 Blacks on Bikes in on May 12th? Want to learn more about Red, Bike, and Green and how you can get involved. Come to the bike shop for a fun party with music, people, and bike stuff. Find out more about RBG, MoBo Bicycle co-op, and other cool bike stuff. (5 pm—9 pm)

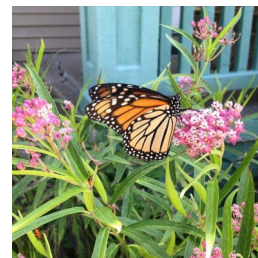

Apr. 21 Women/Trans/Femme/GNC Open Shop This is an inclusive open shop for all the women/trans/femme/GNC people of the bicycle community to come work on bikes and learn bicycle repair in a positive supportive space. (12 pm—3 pm)

Protected Bike Lanes Do you want to see the Central Parkway protected bike lanes extended to Ludlow Avenue in Clifton? Please take five minutes to send a quick email to City Hall. CityCouncil@cincinnati-oh.gov

"I appreciate the heart and passion of this non profit trying to serve the community of Greater Cincinnati with such a simple yet impactful vision."
